Customer Reviews

I am a biased opinion so I will leave the extent of my review to the fact that I love to read any ND book to my toddler and my toddler seems to be engaged when I read ND books to her. So that is a 5-star rating in my book.

We bought this for our 3 month old daughter and she loves the simple and bright illustrations! Can't wait for her to learn the love of Notre Dame that her parents do! Perfect for any mini Notre Dame fan.

Great and unique book. Perfect for the little kids. Very satisfied with quality. It is very durable. Would purchase again.

This book is great for any Irish fan with kids! It is a typical board book that any kid will enjoy.

So darlingabsolutely love it. A must for new babies!

Perfect for the littlest Notre Dame fan!

I was a bit disappointed with this, really expected there to be more to it but we LOVE Notre Dame and this definitely doubles as decoration in our nursery.

love this.... the parents will surely be suprised. they wont be expecting this. cant wait to see their faces when they open it
