Customer Reviews

This book has really helped me so much. It is funny and so truthful and also a very good read for Christians who don't often want to talk about what they are going through during this time of their lives. Danna has a wonderful way with words. Fabulous

Brilliant book! Makes one feel you're not alone in this thing that's taken over your life and that there's hope after all!

I thought this gave a few insights to me as well as some humor, which is needed. Helped my husband too.
