Legends Of The West Volume Two

Synopsis

The Legends of the West series covers the tumultuous 1830s through the 1860s in California, Nevada, and Utahâ from when the American military and Mexican bandits warred over the riches of Spanish California, to the Bear Flag rebellion that carried California from Mexican to American ownership, to the 1850s gold rush, to the silver discovered in Virginia City in 1859, to the beginning of the Civil War and the division of a nation. This second book in the series tells of the heart-stopping adventures of rebel David Bollin, ship's officer Rafer Maddox, and Wells Fargo & Co. attorney Jack Ryland. The California gold rush glittered with promise but it would change everything about their lives. Volume Two contains Gold Rush Prodigal, Delta Passage, and Hangtown Lawman.

Customer Reviews

It is difficult to find quality literature that does not compromise on integrity. These are fascinating books, full of history, and hold your attention, but not in a trashy, salacious way like so many modern novelists. They are rare treasures. These authors' work will survive them.

Buying these books for my 13 year old son and he cannot put them down!! I hope to read them soon too. Excellent western books with good Christian messages and morality weaved throughout. These authors continue to put out some of the best books! Be sure to read their Zion Chronicles and Zion Covenant series too.

I have 3 of the 4 volumes of this book. My order for Vol. 2 was canceled by . All three are great books and I would recommend them if you like tales of the old West.

a great historical novel about the area where we live; written by local authors. Very well written.
Faith based views

This Bodie & Brock Thoene book did not disappoint me. What a great history lesson along with three wonderful stories.

Book is in perfect condition. Great addition to library at church.

Well written book by several authors.

GOOD STORY BY A GOOD WRITER
