## Customer Reviews

This workbook is a great companion to the book, and is perfect for assigning extra classwork, homework, or extra-credit assignments to students. Good variety of exercises, and examples are provided for each. You'll definitely want to buy this if you get the textbook.

great condition, February 24, 2013 By Santiago Saldarriaga Verified Purchase (What's this?) This review is from: Fundamentals of English Grammar Workbook, 4th Edition (Paperback) This book was a great deal, excellent condition and came in the exact moment when I need it. The waiting time was worthy.

Thanks so much and I really appreciate you for the gift book.

I can accept the condition of the book.

It was not what I was waiting for.

Thank you, it's good.

I reviewed the original for which this is the workbook, and actually like the workbook better than the book itself, because it does contain some exercises which might actually help the student to learn a few basic basics. Overall, however, I don't like it.

Great and quick service and I am a happy customer. All was as I expected it and I enjoy it.
