## Customer Reviews

Pictures of Islam is thrifty in its use of word. In only 164 pages, Berry lays out an excellent overview of Islam with discussions about all the important topics: Arabian context, Mohammad, the Qur'an, the various Islam groups/movements, Islamic history (with attention to different sub-groups that have emerged within Islam), Islamic law, Muslim practices, Islam's encounters with the modernity, and Muslim-Christian relations. Especially appreciated his treatment of themes like the impact of the Crusades on Muslim thought, impact of relationship of West with Israel on Muslim thought, and the origins, thrust, and current influence of the Wahhabi movement.
