California POST Exam Secrets Study Guide: POST Exam Review For The California POST Entry-Level Law Enforcement Test Battery (PELETB) (Mometrix Secrets Study Guides)

Synopsis

Includes California POST Practice Test Questions Get the test prep help you need to be successful on the California POST test. The California POST Exam is extremely challenging and thorough test preparation is essential for success. California POST Exam Secrets Study Guide is the ideal prep solution for anyone who wants to pass the California POST Exam. Not only does it provide a comprehensive guide to the California POST Exam as a whole, it also provides practice test questions as well as detailed explanations of each answer. Our California POST study guide includes: A detailed overview of the California POST Exam A breakdown of spelling An examination of vocabulary A guide to clarity An in-depth look at reading comprehension Comprehensive practice questions with detailed answer explanations It's filled with the critical information you'll need in order to do well on the test: the concepts, procedures, principles, and vocabulary that the police agencies expects you to have mastered before sitting for the exam. These sections are full of specific and detailed information that will be key to passing the California POST Exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answers, and that's another area where our guide stands out. Our test designers have provided scores of test questions that will prepare you for what to expect on the actual California POST Exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. We've helped thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for our test preparation guides, and our California POST Exam Secrets Study Guide is no exception. It's an excellent investment in your future.

Customer Reviews

I bought this last minute and while it isn't a "fix-it-all" it will be very helpful for anyone who purchases it. It helped me figure out what types of words I should make sure to study (definition and spelling) as well as what to look for when choosing "which sentence is more clearly written". The "Choosing which sentence is more clearly written" section is tricky because the sentence that seems to flow better usually is the wrong answer. Very easy read, only takes about 4 hours of reading and studying to prepare. The test I took was graded on a bell curve and I was in the top 10% of all scores. FYI, I have been out of high school for over 10 years and I'm not in college so the score I attained serves as a testament to the effectiveness of the book.

Failed the test twice, actually studied with this book a week in advance and passed with a department that wanted an even higher score...

This is the second study guide I purchased because I was not satisfied with the first one I purchased (TRIVIUM TEST PREP). Yours seems to be more in depth and doesn't assume you know anything. I haven't checked your videos yet but I do like the fact that additional resources are available other than what was presented in the book. You have double the amount of practice tests compared to your competitor so that is an additional bonus.

Totally satisfied! Received the item quick!

Very helpful insight, my confidence is through the roof. I like the material so much I've recommended it to a couple of people I know trying to get into law enforcement. So I just want to say thank you so much, I really appreciate it.

Very helpful just dedicate yourself to the exercises And it will benefit you.

If you've never taken the post this will definitely open your eyes. I had recently taken the post for a p.d. and passed but with a score they did not consider. I purchased this book it help me touch up on the points I hadn't paid attention to, or had forgotten since high school. Very good book for someone that needs a brush up before the test. I took a second post after I purchased this book and passed with flying colors.

This is a neat package for studying the California POST exam. It gives you guidelines of the exam so you don't have to play any guessing games on test day. It offers practical advice for overcoming test anxiety.
