Synopsis

Political Ideologies and the Democratic Ideal, 9/e, thoroughly analyzes and compares political ideologies to help readers understand these ideologies as acutely as a political scientist does. Used alone or with its companion Ideals and Ideologies: A Reader, 9/e, this best-selling title promotes open-mindedness and develops critical thinking skills.

Customer Reviews

30 pages on conservatism.....the rest of the book is about liberals, socialism, and bloated bias. There is too much mainstream thought and political correctness in this country. Rather it be "social"-media or contextual - its about to end though. cheers.

Book was as expected. Arrived on time.

Have to use for a PolySci BA offering. Teacher using because one of the authors is a professor in department.

required for school its a good book
