Just Sisters: You Mess With Her, You Mess With Me

Synopsis

Sisters are wonderful, and sisters are terrible. Depending on the day, the mood, the weather, or the time of day, a sister can be a companion, an adversary, an enemy, or a soulmate. But no matter what, a sister is always a best friend, and the combination of animal photos and quotes in this delightful gift book celebrate the unique duality of sisterhood.

Customer Reviews

I loved this book and ordered one for each of my 3 sister's for Christmas. The pictures of the animals are so sweet, and funny too! This book will definitely bring a smile to anyone's face, and warm their heart :0)

This is a precious book for sisters. The photos and quotes are magnificent. I read it every day. And when my sister and I have a problem, we quote from the book. Bonnie Kuchler did a beautiful job. My favorite is actually from an unknown. "A sister is one who will pick you up when you are down. If she cannot pick you up she will lie down beside you and listen". I'm so glad I could comment on this most beautiful book. Thank you.

I bought this for both of my sisters. They each cried and laughed over the images and captions. This book truly demonstrates the bonds between sisters. I highly recommend this to anyone who loves their sister and wants a fantastic way to show it! Wonderful book!

This beautiful, inspiring little book is a perfect gift for a sister or a sister-like friend!

I bought this book for my sister to let her know how much she is appreciated. Since she lives far from me, I am hoping it will serve as a reminder. I added my own special notes to the quotes to add some additional laughs and tears. The quotes serve any sister well and remind us where we came from.

This is a cute little book. The pictures of the animals are precious and the sayings are inspiring. I need to purchase more for my other sisters ;0).

I gave this to my big sister. It was a wonderful way of saying I love you. She was very pleased with it

Really great photos and sentiments on every page. Funny to read & fun to give.
